

# Southgate Anderson Marching Band

Written permission is required for photographs, recordings or videos used for newspaper articles, television, web material, various publications, and/or other promotional materials. The Southgate Band Booster Committee has the responsibility to see that:

- An effort is made to seek parental permission for release of photos when a student joins the marching band for the first time, or when no photo release is in the band records.
- Only students with signed releases are allowed to participate in a situation that might be used for publication.
- All photos may be reviewed by parents and or shared by families of the band. If you do not wish your student's photo shared, please make note below and any photo that he may appear will not be included in the photo collection.
