Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2014-15 educational progress for the Allen Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Chilson, Principal (734) 246-4644 for assistance.

The AER is available for you to review electronically by visiting the following web site www.southgateschools.com, or you may review a copy in the main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a FOCUS SCHOOL.

When looking at the proficiency levels as scored on the M-Step Assessment, Allen scored above the State and the County in 3rd and 4th grade Math and ELA, 4th grade Science, and 5th grade Math. Allen's 5th grade scored above the County in ELA. In all these content areas, the goal is to show continued improvement. Allen Elementary has the resources and interventions in place to target continued improvement in these areas. Our key challenge is closing the gap between the bottom 30% and top 30% of performing students.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Southgate resident are assigned to our elementary based on where they live. Each building has home school boundaries. Parents register at their home school. School-of-Choice students are assigned to each building based on the student population in each grade level.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Allen Elementary is in the "Do" process of school improvement. We are currently implementing, monitoring and evaluating our goals and strategies. Southgate continued the school improvement process in accordance with Public Acts 25, 335, 339, the federal NCLB and requirements for Title I using the School Systems Review Report and the School Improvement systems as models. The district's mission statement guided the work of the School Development Teams in each school. http://www.southgateschools.com

Grade level, content area, and course level staff administer "benchmark" tests, and/or common course level exit and entrance exams. Common rubrics are used to determine the students who did not succeed at the proficient level and individual intervention plans are implemented. Math benchmark assessments are given in May for students in kindergarten through 5th grade. In the spring of 2015 81% of our students at Allen scored at or above proficient on the math benchmark assessment as compared to 67.2% of our students in 2014. Students in 1st through 5th grade are given guided reading assessments three times per year. Kindergarten students are assessed in March and June. In the spring of 2015 75% of our students were reading at or above grade level, as compared to 74.8% in the spring of 2014.

IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Each building has a day in the fall and a day in the spring dedicated to Parent-Teacher conferences. In grades K-7 parents are given a scheduled time to visit their child's building to discuss their individual progress. In grades 8-12 parents are given a three-hour window in the afternoon and evening. Parents are strongly encouraged to talk to all their child's teachers.

Year	# Students Represented	% Students Represented
Fall 2013	434	99%
Spring 2014	403	92%
Fall 2014	351	99.7%
Spring 2015	330	93%

Southgate Schools is dedicated to continuous improvement and consistently analyzes student achievement data to monitor progress. Although there are areas of needed improvement, Southgate teachers, parents, staff and students should be commended for their efforts in many areas that have continued to show student growth.

Sincerely,

Principal: Renne' Chilson 16500 McCann Southgate Michigan 48195 (734) 246-4644 Fax: (734) 246-7277
