School Annual Education Report (AER)

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-2015 educational progress for Beacon Day Treatment. The AER addresses the complex reporting information required by the federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact the Principal, Jennifer L. Hill, for assistance.

The AER is available for you to review electronically by visiting the following web site: <http://www.southgateschools.com> or you may review a copy in our main office.

The state has identified some schools with status of Reward, Focus and Priority. A Reward school is one that is out that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our key challenge is our performance of our bottom 30% in ELA, Science, and Math. Despite our current situation, we remain committed to accelerating student achievement and closing persistent gaps in achievement. Therefore, we are continuing to strive to address our students' academic growth. Some of the interventions we have in place include: increasing student instructional time, utilizing learning targets and embedding them in daily instruction; decreasing inappropriate behavior so that students spend more time in an academic setting; implementation of a Response to Intervention (RTI) Model for a center-based program; Early Intervention Screening for Pre-reading skills (K-2).

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Beacon Day Treatment is a center program for severely emotionally impaired students who have been referred to more intensive educational and treatment program than their local district can provide. In order for a student to be referred to Beacon Day Treatment program, they must be identified as a student with a severe emotional impairment and demonstrate significant deficits in affective and academic development.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Beacon Day Treatment is currently in the "DO" state of the implementation plan. We will continue to school improvement process in accordance with Public Acts 25, 335, 339. The district's mission statement guided the work of the School Development Teams in our school.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

As a center-based program that provides special education programming and services, Beacon Day Treatment is exempt from the reform requirements in the Top to Bottom reporting. However, the program will continue to follow the School Improvement reporting and requirements, while focusing on improved student achievement for all students.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

Full implementation of the Common Core State Standards exist at Beacon Day Treatment for all students K-12. Teachers utilize benchmark assessments (easyCBM: K-8; Riverside Interim Assessments: 9-12) to track student progress and achievement throughout 2015-16 school year.

It is our sincere belief that with the research-based initiatives that are implemented through our School Improvement Process, we will continue to see an increase in our student achievement in all content area. We look forward to another year of working, as a team, to enhance our students learning.

Sincerely,

Jennifer L. Hill
