Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-2015 educational progress for the Southgate Community School District. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Jill Pastor, (734) 246-4600 for help if you need assistance.

The AER is available for you to review electronically by visiting the following web site www.southgateschools.com or you may review a copy in the principal's office at your child's school.

The report contains the following information:

Student Assessment Data – Elementary or middle school assessment results on the Michigan Student Test of Educational Progress (M-STEP), high school assessment results on the M-STEP component of the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access).

- Presents achievement data for all three tested subjects (English language arts, mathematics, and science) compared to targets for all students as well as subgroups of students
- Helps parents understand achievement progress within schools and compare these to district and state achievement

Accountability Scorecard – Detail Data and Status

Due to the transition from MEAP tests to the M-STEP test, the accountability portion of the AER is limited to assessment participation and graduation/attendance rates. Full accountability reporting will resume with the 2015-16 AER.

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides State results of the national assessment in mathematics and reading every other year in grades 4 and 8

With the elimination of the deficit projected by June 2016 and the passage of a much-needed bond, I look forward to an increasing focus on student learning. Over the past year we have made gains through our efforts to increase student engagement and higher-order thinking. We will continue to target instructional strategies that increase those skills. Parents may get involved by attending school events including: Open Houses, Back-to-School Nights, Conferences, Sporting Events, and many more. Please check our website at www.southgateschools.com for our calendar of events

Sincerely,

Leslie Hainrihar
