Plan Description

2013 - 2015

Goals Summary

The following is a summary of the goals encompassed in this plan. The details for each goal are available in the next section.

#	Goal Name	Goal Details	Goal Type	Total Funding
1	All K-5 students will be proficient in math.	Objectives: 1 Strategies: 2 Activities: 14	Academic	\$0
2	All students will be proficient in reading, writing, speaking, and listening.	Objectives: 1 Strategies: 2 Activities: 14	Academic	\$0
3	All K-5 students will be proficient in science.	Objectives: 1 Strategies: 2 Activities: 14	Academic	\$0
4	All K-5 students will be proficient in social studies.	Objectives: 1 Strategies: 2 Activities: 14	Academic	\$0

Goal 1: All K-5 students will be proficient in math.

Measurable Objective 1:

85% of Kindergarten, First, Second, Third, Fourth and Fifth grade Black or African-American, Asian, White, Economically Disadvantaged, Gifted and Talented, Hispanic or Latino, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native and Native Hawaiian or Other Pacific Islander students will demonstrate a proficiency as determined by MDE in Science by 06/12/2024 as measured by state required assessments..

Strategy 1:

Higher Order Thinking Skills - All math teachers will focus on Application, Analysis, Synthesis, and Evaluation. Groups will be informal, formal, and base groups. Teachers will display extensive knowledge of the important concepts in math and how these relate to one another and to other disciplines.

Classroom teachers will focus on using Higher Order Thinking Skills daily to help students become proficient in math. These strategies will include: Application, Analysis, Synthesis, Evaluation. Teachers will utilize strategies that incorporate higher levels of thinking to help all students become proficient in math. Teachers will focus on the Common Core State Standards, and the 8 mathematical practices in order to further help student achievement. <p>K-5 teachers will explain and discuss the content expectations for each grade in the fall of each year. Parents will be encouraged to visit the MDE site on Parent Involvement=Student Achievement@http://www.michigan.gov/mde/0,1607,7-140-52333-23090--,00.html. Encourage attendance at the fall and spring parent teacher conferences. K-5 parents will sign the "Schoolwide Compact" at the fall parent teacher conferences. Teachers will encourage parents to access MiStar, our web-based grade book system of student progress for students in grades 3-12. Parents will be encouraged to communicate with teacher via e-mail, phone or in person whenever they have a question or concern. The district parent involvement policy will be followed. K-5 administrators will follow the "Title I Parent Involvement Plan and Checklist" that includes: policy, annual parent meeting, involving parents in a timely on-going way, parent satisfaction, provide materials and training for parents to work with their children and educate all staff in the value of parents' contributions.</p>	Parent Involvement	Tier 1	Monitor	09/02/2014	06/15/2017	\$0	Title I Part A	All certified staff.

<p>Teachers will learn how to use technology resources to help instruct students and provide students with additional resources to practice mathematical skills and vocabulary. Teachers will use a variety of technology tools and resources, such as: Mimio Interactive Whiteboards, projectors, document cameras, flip cameras, iPads, iPods, and iCurio to assist student in becoming proficient in mathematics. Teachers will utilize Mimio Interactive Whiteboards, iPads, and projectors to assist students in the process of solving mathematical problems. Teachers will use document cameras to demonstrate math skills and problem –solving strategies. Teachers will use Class A to record and analyze student math scores.</p>	Technology	Tier 1	Monitor	09/02/2014	06/15/2017	\$0	General Fund	All certified staff.

<p>Students/Parents/Staff will be asked to evaluate all strategies and activities. This process will include part of the MDE Program Evaluation Tool, Various Surveys, Checklists, Observations, Walkthroughs, Budgets, Schedules, and Curriculum Pacing Guides. This process should include answering the following questions: 1. Is there opportunity for high quality implementation? 2. Is the program implemented as intended? 3. What is the program's impact on students? Staff will be encouraged to collect evidence to answer the above questions. This evidence may include: meeting agendas/minutes, books/papers about the program, Stakeholder surveys, Professional Development materials and attendance, Data, School Improvement agendas, Self-Assessment checklists, Observations/Walkthroughs, Logs, and Data Team Minutes.</p>	Evaluation	Tier 1	Monitor	09/02/2014	06/15/2017	\$0	General Fund	All certified staff.

<p>Professional Development will include the 5 days of District Provided Professional Development. Professional Development will focus on "Higher Order Thinking Skills" and "Student Engagement". Professional Development will include a second year of sessions for every math teacher K-8, from "Strategic Intervention Solutions". These sessions will highlight the best mathematical practices. Professional Development will include a second year of sessions, including coaching from Michal Taylor of "Michalangelo Enterprises LLC" for all ELA teachers in grades 3, 4, and 5. Professional Development will include an optional after-school book study for "Total Participation Techniques: Making Every Student an Active Learner". Professional Development may also include conferences or workshops that cover higher order thinking skills and student engagement instruction in math.</p>	Professional Learning	Tier 1	Implement	09/02/2014	06/15/2017	\$0	Title II Part A	All certified staff.

<p>Teachers will meet as according to the Professional Development schedule to look at which standard/s need to be the focus of the next month's lesson in each subject. Teachers may decide to collectively develop the higher order thinking skills for the next month's math focus lessons. The teachers will discuss how the students will demonstrate mastery of the focus standard/s. They will decide what formative assessment should be given to assess this mastery. Teachers will meet monthly to review monthly the formative assessment. Teachers will be looking at the number and percentage of students who scored proficient (70%) or higher. The teachers will discuss any obstacles of the non-proficient students.</p> <p>The teachers will share higher order thinking skills at these monthly Data Team meetings and collaboratively decide on which instructional strategy may have the greatest impact on student achievement to implement for the next month. The teachers will also decide how often this thinking skill should be implemented per week.</p> <p>Using data, teachers will monitor and adjust instruction and do timely interventions for identified students using the higher thinking skills as identified in monthly Data Team meetings. These identified students will include all subgroup areas.</p>	Academic Support Program	Tier 1	Implement	09/02/2014	06/15/2017	\$0	General Fund	All certified staff.

<p>Using data, teachers will monitor and adjust instruction and do timely interventions for identified students using the engagement strategies as identified in monthly Data Team meetings. These students will include all subgroup areas, specifically students who are economically disadvantaged, and special education students. Identify students whose skill acquisition rates are slower than that of peer groups on critical measures of performance and require additional support. Once these students are identified provide timely additional assistance to these students. Monitor progress of At-Risk students at repeated intervals. Document interventions. Involve and report student progress to parents.</p> <p>If additional support does not help the K-5 At-Risk student/s they will be referred for additional services from the Tier #2 Interventionist and/or for after-school tutoring. Interventions for these students will be 2 to 4 times every week for 20 to 30 minutes sessions.</p> <p>Teachers may also refer students for K-5 Summer SLAM (Summer Literacy and Math).</p> <p>K- 5 students who are struggling with social, mental, and/or emotionally issues may receive support from an Elementary At-Risk Social Worker/Counselor. These services will be individualized for each student. These interventions will be tracked using task logs.</p> <p>English Learners (EL) students will be identified upon registration to Southgate Schools. If a student speaks another language besides English as their primary home language, the student will be referred to Wayne RESA for a WIDA screener. If the student does not score proficient, the student will automatically be registered to receive interventions from a Wayne RESA tutor to help with the English language acquisition. Even if the student scores proficient, the student will be monitored to see if language may be interfering with day to day learning in the classroom. All students receiving services from a Wayne RESA tutor will be screened each spring with the WIDA assessment from the Michigan Department of Education. When a student scores proficient or advanced proficient and is successful in the classroom the student will be exited from services.</p>	<p>Academic Support Program</p>	<p>Tier 2</p>	<p>Monitor</p>	<p>09/02/2014</p>	<p>06/15/2017</p>	<p>\$0</p>	<p>Title I Part A</p>	<p>All certified staff.</p>

Strategy 2:

Student Engagement - Teachers will focus on engaging students during math instruction and educational activities. Teachers will use strategies, such as Novelty and Variety,

Affiliation, Choice, Affirmation, Authenticity. Teachers will be responsive to student differences, adjusting teaching and learning methods to accommodate each child's learning needs and preferences in order to maximize learning.

Strategy 2:

Engagement - Teachers will focus on differentiating social studies instruction in order to improve student achievement. Teachers will use strategies, such as flexible grouping, centers, and tiered assignments. Teachers may differentiate: through content, process, product, and learning environment. Teachers will be responsive to student differences, adjusting teaching and learning methods to accommodate each child's learning needs and preferences in order to maximize learning.

Category:

Research Cited: The Differentiated Classroom: Responding to the Needs of All Learners and Leading & Managing a Differentiated Classroom by Carol Ann Tomlinson. These books help teachers learn how to address student differences thoughtfully and proactively. The focus is on what it means for a teacher to effectively differentiate for students while staying responsive and focused on students. Carol helps teachers plan for differentiation with ease into classroom practice. This approach to teaching advocates for active planning for student differences in classrooms.

Teachers will meet monthly to look at which standard/s need to be the focus of the next month's lesson in social studies. Teachers may decide to collectively develop the major learning targets for the next month's social studies focus lessons. The teachers will discuss how the students will demonstrate mastery of the focus standard. They will decide what formative assessment should be given to assess this mastery. Teachers will meet monthly to review monthly the monthly formative assessment. Teachers will be looking at the number and percentage of students who scored proficient (70%) or higher. The teachers will discuss any obstacles of the non-proficient students. The teachers will share best practices at these monthly Data Team meetings and collaboratively decide on which instructional strategy may have the greatest impact on student achievement to implement for the next month. The teachers will also decide how often this strategy should be implemented per week. Using data, teachers will monitor and adjust instruction and do timely interventions for identified students using the research-based strategies as identified in monthly Data Team meetings. These identified students will include all subgroup areas.	Academic Support Program	Tier 1	Monitor	09/02/2014	06/15/2017	\$0	General Fund	All certified staff.

Once these students are identified provide timely additional assistance to these students. Monitor progress of At-Risk students at repeated intervals. Document interventions. Involve and report student progress to parents.</p> <p>If additional support does not help the K-5 At-Risk student/s they will be referred for additional services from the Tier #2 Interventionist and/or for after-school tutoring. Interventions for these students will be 2 to 4 times every week for 20 to 30 minutes sessions.</p> <p>Teachers may also refer students for K-5 Summer SLAM (Summer Literacy and Math).</p> <p>K- 5 students who are struggling with social, mental, and/or emotionally issues may receive support from an Elementary At-Risk Social Worker/Counselor. These services will be individualized for each student. These interventions will be tracked using task logs.</p> <p>English Learners (EL) students will be identified upon registration to Southgate Schools. If a student speaks another language besides English as their primary home language, the student will be referred to Wayne RESA for a WIDA screener. If the student does not score proficient, the student will automatically be registered to receive interventions from a Wayne RESA tutor to help with the English language acquisition. <p>At-Risk Student Support</p>	<p>Using data, teachers will monitor and adjust instruction and do timely interventions for identified students using the engagement strategies as identified in monthly Data Team meetings. These students will include all subgroup areas, specifically students who are economically disadvantaged, and special education students. Identify students whose skill acquisition rates are slower than that of peer groups on critical measures of performance and require additional support. Once these students are identified provide timely additional assistance to these students. Monitor progress of At-Risk students at repeated intervals. Document interventions. Involve and report student progress to parents.</p> <p>If additional support does not help the K-5 At-Risk student/s they will be referred for additional services from the Tier #2 Interventionist and/or for after-school tutoring. Interventions for these students will be 2 to 4 times every week for 20 to 30 minutes sessions.</p> <p>Teachers may also refer students for K-5 Summer SLAM (Summer Literacy and Math).</p> <p>K- 5 students who are struggling with social, mental, and/or emotionally issues may receive support from an Elementary At-Risk Social Worker/Counselor.
