

WAYNE COUNTY EDUCATION ENHANCEMENT MILLAGE

Wayne County residents will see a question on our ballot this November asking whether we want to approve a “**regional enhancement millage**” proposal for the Wayne County Regional Education Service Agency.

THIS PROPOSAL WOULD:

- ✓ Create a two-mill, six-year county-wide millage that would generate a dedicated source of funding for all local schools in Wayne County
- ✓ Allow each school district to hire qualified teachers, keep class sizes small & repair and upgrade buildings
- ✓ Cost the average homeowner less than \$8 a month & help ensure a bright future for Wayne County children.

Why is this proposal on the ballot?

School districts throughout Wayne County have seen their funding drastically cut in recent years. While our districts have gone through considerable effort to reduce costs & maximize every dollar, the sharp decline in resources has now jeopardized the core educational programs our kids deserve.

THIS PROPOSAL IS AN OPPORTUNITY FOR WAYNE COUNTY TO MAKE A RENEWED INVESTMENT IN THE FUTURE OF OUR SCHOOLS!
