# What is an IRIP?

## Individualized Reading Improvement Plan

---

A plan created for any student exhibiting a reading deficiency.

The plan:

- Is created within 30 days of identifying the deficiency
- Outlines reading interventions to support the student
- Is a collaboration between parent/guardian, teacher, Principal and other pertinent school personnel

# Read at Home Plan

---

- A Read at Home Plan may be a support necessary for parents to help their child improve literacy at home.
- Resources are sent home with each IRIP with suggested activities.

# Sample – Reading Fiction

---

- ❑ Before reading – Point out the title and author. Look at the picture on the cover and ask, “What do you think is going to happen in this story? Why? This will help your child set the purpose for reading.
- ❑ During reading – Stop every now and then to ask your child to tell you what has happened so far or what he/she predicts will happen. You might also ask for your child’s opinion. “Do you think the character did the right thing? How do you feel about that choice?” Explain any unfamiliar words.
- ❑ After reading – Ask your child to retell the story from the beginning and ask for opinions, too. “What was your favorite part? Would you recommend this to a friend?”

# Southgate's Retention Process

---

Teachers identify students who are not meeting grade level objectives in one or more subject and notify the building administrator and the students' parents by the end of January or the second set of Parent-Teacher Conferences of each school year.

- The teacher, building administrator and parents should meet to review the student's academic record, current test scores, work samples, and anticipated progress.

# Retention Process Continued...

---

The building administrator is responsible for making a final decision on retention, after consulting the teacher and the parents, and considering the following factors, among others:

- academic achievement in all subject areas
- the student's chronological age
- the student's attendance
- the student's social and emotional maturity

# Southgate's Data

---

2018

- 13 students below 1252 cut score
  - 11 students with an IEP (Individual Education Plan)
  - 2 possible retentions
